

STUDENT HOUSING EXCEPTION REQUEST
*** (Signature releasing student from GRC Housing)

Green River College recommends underage students to remain in GRC housing until the age of 18. Moreover, 16-year-old students are required to live in a vetted and approved host family for the period of 1 quarter at a time until they turn 17 years of age. If a student turns 17 years old during the quarter, they must stay until the end of that quarter. We believe this is to the student's advantage both socially and academically. 17-year-old students may request to be released from GRC housing;
